

SERVICE TERMS

Members are allowed to serve one (or more) of the following terms during the grant year as an ICAP member. Members can contract their service between September 1 and August 31 each year (an extension into the fall each year may be granted but is not guaranteed).

If the duration of service is too little or too much the member may ask to amend their contract during their service term. If special circumstances mean that none of the service positions meet a member's needs then please contact the program director prior to enrollment to discuss potential opportunities to amend the member's agreement prior to signing.

General Service Terms

General service terms are the most commonly selected service lengths for ICAP members.
